

SRPC Introduces New Service

Buyer's Guide Web Link increases online visibility

The Spokane Regional Plan Center introduces a powerful new way to promote your business online. The new Buyer's Guide Web Link at www.plancenter.net directs users to a full page of information designed to showcase your company.

Reach more people more often

Your company info page can be searchable through multiple links, including any trade names and classifications that you specify.

Virtually Affordable

At \$120/year, you'll have an online presence 24/7 for less than the cost of a typical display ad.

The screenshot shows a web page for 'Clever Name Construction' on the 'plancenter.net' website. The page includes contact information, a company logo, a Google map, and sections for company description, more information, projects, and company history. A large 'SAMPLE' watermark is overlaid on the page.

Max Headroom	Project Manager	max@clevernameconst.com

Here's how it works:

SRPC Member Firms participating in the *Buyer's Guide Web Link* will have an information page (see sample) that can include all of the following:

- Company address and phone numbers
- Company logo (also appears in Member Directory)
- Hotlinks to your web site and email address
- Google™ map to your location
- Description of your company
- A list of trade names and classifications represented by your company
- Projects your company is associated with
- Company history
- Directory of your company personnel

Buyer's Guide information pages are accessible at www.plancenter.net in the following ways:

- Non-member access through the Member Directory on the home page
- Non-member access through the Buyer's Guide on the home page
- Buyer's Guide searches for Trade Names or Classifications
- Member access through all of the above plus direct links from the Online Planholder's Lists
